November 17, 2022

## **(Proposal # 2022-2023.002)**

### **Installation of an Automated Access Control Solution for All Exterior Automated Security Slider Gates, Selected Single Exterior Perimeter Gates/Doors Surrounding the School, All School Exterior Double Door Entrances, and Selected Interior School Classroom Doors.**

**Due Date: Thursday, December 1, 2022 at 3:00 pm**

The Lasara Independent School District is requesting proposals for a turnkey operation of an integrated Access Control System for:

1. All Exterior Electric Security Slider Gates Throughout the District
2. Selected Single Exterior Perimeter Gates/Doors Surrounding the School
3. All School Exterior Double Door Entrances
4. Selected School Interior Classroom Doors

#### Requirements:

- All of the above components must be completely integrated, and controlled by one software suite.
- All of the above components must be integrated with existing security and fire alarm systems.
- Closed circuit live imaging capabilities must be applied to all exterior electric security slider gates throughout the district, selected single exterior perimeter gates/doors surrounding the school, and all exterior double door entrances at the school
- The proposed Access Control Solution must allow the district ease of customization for partitioning multiple components based on district security needs.
- The proposed Access Control System must also allow for single button remote lockdown of all exterior slider security gates, selected exterior perimeter gates/doors, and all exterior double door entrances at the school via cell phone, tablet, or desktop.
- The proposed Access Control System must have sufficient storage capabilities, allowing district personnel to review imaging and entrance logs for a period of one month before overwriting.

**RECOMMENDED:** Upon request (email or via phone call) prior to the due date, interested vendors can make arrangements to come tour the Lasara ISD in person to get a better perspective of the job at hand.

Proposals are to be hand delivered or mailed to the attention of Rogelio Cantu, Business Manager, Lasara I.S.D., 6160 E. 6<sup>th</sup> Street, Lasara, Texas 78561. Please mark your envelope plainly: *Access Control System*.

Proposals will be accepted until Thursday, December 1, 2022 at 3:00 p.m., at which time they will be opened. Proposals will be opened, but not read publicly at the Business Office Conference Room, located at, 6160 E. 6<sup>th</sup> Street, Lasara, Texas 78561. Any proposals received late will be returned unopened. Lasara ISD is not responsible for proposals misplaced or mailed incorrectly.

Responses sent by overnight mail should have the proposal # written on the delivery ticket.

Sincerely,

**-Original Signed-**  
Mr. Alejos Salazar  
Superintendent
